CHEAP THRILLS

THE MUSIC OF JANIS JOPLIN

The definitive voice of Janis Joplin, Amy Lynn & her Honey Men perform their interpretations of favorites: Piece of My Heart, Me & Bobby McGee, Ball n' Chain, and many more!

Amy Lynn & The Honey Men is a seven-piece machine that blows glitter all over the traditional Memphis-Motown soul/rock style. At the controls is Amy Lynn, a vocal powerhouse whose unique flair of quirky, down-to-earth humor countervails against the serious musicianship of The Honey Men's team of bari sax, tenor sax, trumpet, keys, bass, and drums.

"Miss Zanetto packs a powerhouse voice into a petite frame."
– WASHINGTON TIMES

"The New York City-based septet has serious chops"
– MICHAEL VERITY

"Confident, full-voiced Amy Lynn Zanetto from New York City, is obviously no stranger to the musical stage."
- DAMION POIRIER, LA TIMES
