## The Woodstock Experience

**The Woodstock Music Festival was the ultimate rock concert, a celebration of peace, love and music. Now, over fifty years later, let us help you create your own Woodstock Event.**

### **“Back To The Garden 1969 - The Woodstock Experience”**

Formed by Gary Adamson in 2009, this is a group of versatile musicians and singers who have come together to celebrate the music, and spirit, of the Woodstock Era.

**The Music:** BTTG 1969 recreates the classic sounds associated with Woodstock. The musical performances are a tribute to the artists who made Woodstock great, including Crosby, Stills, Nash & Young, Jimi Hendrix, Sly & The Family Stone, Jefferson Airplane, Santana, Joe Cocker, Janis Joplin, Creedence Clearwater Revival, The Who, Richie Havens...and all the rest!

**The Experience:** BTTG 1969 brings you a full multimedia theatrical event, recreating the Woodstock Experience through period costuming, lighting, video, and sound bites. Storytelling also enhances the mood, with tales of the festival, the legendary artists who performed, and the backdrop of the tumultuous decade of the 60's.

**Not your typical tribute band!** Most tribute bands perform the music of only one artist. BTTG 1969 is a tribute to a very special moment in time, and to the many artists whose music will forever be known as “Classic Rock.” From nostalgic Baby Boomers to intrigued Gen Z'ers, and all those in between, there is something in this show for EVERYONE!

**So, grab your tie dye and love beads...and celebrate Woodstock!
